

# PREPARE FOR POSSIBILITY

Dance, Vocal and Instrumental Music, Traditional and Digital Visual Art, Creative Writing, and Acting are a part of every student's schedule – ART EVERY DAY. Our extensive arts program is integrated into our solid academic curriculum. The Arts Academy in the Woods is chartered by the Macomb Intermediate School District's Board of Education

## Arts Academy Updates 08/26/2024

Updates from Dr. Mitchell and Mrs. Prybula (formerly known as Ms. Ignagni) will be added to our [Daily Announcements](#) on our website.

You can always find the most up-to-date news there. **If you miss an email, please check the announcements on the website!**

I plan to send an update once a week this school year to ensure consistent communication.

## Service Animal

This year, we anticipate that one of our students will bring a certified service animal to school regularly. This animal was trained by a certified animal training organization [Clever Canine Service Dog Training](#). His name is Lopez, and he is an English Creme Golden Retriever.

Although he is a calming and trained service animal, it is important that kids know not to pet him without asking his human, Lilla, first. His vest also says, "do not pet." Please ask Lopez' person how she feels and if she feels Lopez will be okay with pets before touching him.

## Student Schedules

Student schedules have been posted in PowerSchool for returning students today. Monday August 26.

**Returning students can see their schedule by logging in to PowerSchool.**

**New students** will receive their usernames and passwords for PowerSchool at orientation.

**If you see an issue with your schedule and would like to discuss changes, please complete the [Schedule Request Form](#).** Students should follow their original schedule until they receive an updated schedule from a counselor or administrator.

## School Fees

School fees will be posted to PowerSchool after the first day of classes.
